Wednesday 5th July 2023 at 17.00 CEST (16.00 BST)

About the Speaker

Pär Tellner is Director, Team Leader, and ICH Coordinator at EFPIA since 2012. Pär has previously been working as Compliance officer (marketing ethics) and Director of Veterinary Medicine, LIF Sweden and as Head of regulatory affairs for several pharmaceutical companies, e.g Octapharma, Biovitrum, Pharmacia Plasma Products and Novartis. Pär has also been working as Senior Pharmaceutical Officer for the Swedish Medical Products Agency. Pär graduated as a pharmacist at Uppsala University in 1986.

Overview of Webinar

The webinar will provide an overview of the proposed updates to the Pharma legislation as laid out by the Commission on 26th April 2023.

Learning Outcomes

Webinar attendees will gain understanding of:

- What are the key changes to the Pharma Legislation.
- What are the potential positives and negatives of the changes.
- Learn about the possibilities for commenting on the legislation.
- What are the next steps involved for the Commission before the legislation is laid down in Parliament.

To Join the Webinar

Please register by filling out the [Registration Form](#).

Streaming details of the event will be shown on your screen at the time of your registration.

Continuing Education

A certificate of attendance will be issued after the webinar. The session will be an hour of Continuing Education.
